

**Mr David White**

**Honorary Secretary 2015—17**

David who had been Honorary Secretary for a brief period sadly died on Thursday 21<sup>st</sup> of June after a short illness bravely borne. The Friends' extend to Colette, his wife, family and friends their deepest condolences.

David had an unassuming disposition, quiet and with a gentle manner with inner resources at his finger tips. David was most efficient, bringing to the post tremendous expertise and efficiency. David was a 'true gentleman & extremely helpful in all matters appertaining to The Friends'.

In late 2015, he succeeded the dual role of Secretary and Membership Secretary on the sudden death of his direct predecessor, Mr David Willey. Only this year did he manage to split the roles with Annie Turnor taking on the role of Membership Secretary. Only on Monday evening of 26 June was it arranged for the handing over to Annie.

The Chairman of The Friends said that he had lost his right hand man, who had been a wonderful colleague to work alongside, totally committed to heritage and culture. It was a privilege to have known David & Colette.

+May He Rest in Peace+

>Can you please direct all enquiries regarding FOHA to the Chairman
