

# Elizabethan Houses

“Four hundred and fifty years ago, our living environments changed dramatically. New house layouts met with new technologies as trade expanded across the oceans and printed books influenced detailed design in timber and plaster and glass. This talk explores Elizabethan houses large and small, and listens to eye witnesses, to explain how we reconceived the idea of

the house”.

## Dr Jonathan Foyle

Monday 18<sup>th</sup> of February 2019 @ 7:30pm

Gainsborough Old Hall
