

FIRST TUESDAY LECTURES 2020

6 FEB	Jonathan Foyle	Beverley Minster
3 MARCH	Richard Pullen	Trench Art
7 APRIL	Adrian Gray	The Black Prince of Scunthorpe
5 MAY	Neil Curtis	Making of Pork Pies
2JUNE	Ewan Semper	Lincolnshire clocks and clockmaking
7 JULY	Prof Trevor Terry	<p><u>GEORGE CECIL RHODES: THE LIFE AND EXCITING TIMES OF A CRANWELL ENGINEER</u></p> <p>Talk about an engineer who was one of the earliest instructors at RAF Cranwell - so he covered RN, RAF, and even ATA in WW2. He had connections to some famous contemporaries.</p> <p>Makes an interesting story, and there are surviving relatives too</p>
4 AUGUST	Paul	Mayflower 400 an alternative perspective
1 SEPTEMBER	Tom Freemantle	Sir Joseph Banks Whose bicentenary of his death falls in 2020
6 OCTOBER	Sadie Hirst	<p><u>“Tea, Tax and Turmoil”</u> Exploring the innovative food and drink of Georgian Britain.</p>
3 NOVEMBER	Nigel Burn	<p>The Special Repairs to Lincoln Cathedral in the 1920’s</p> <p>In 1921 Lincoln Cathedral was in danger of collapse. The Western Towers were leaning, the walls bulging and gaps in the stonework opening at the alarming rate of one sixteenth of an inch in a day. Dean Thomas Fry was confronted with the challenge of saving his cathedral.</p> <p>This talk uses rare archive pictures released for display from the Cathedral Works Department archive of the campaign of works carried out over ten years whereby the Cathedral was saved.</p>
1 DECEMBER	Richard Pullen	The Christmas Truce and the Angel of Mons
